**The HAC meets ...
... the Dutch Arbitration Association (DAA)**

The HAC wants to continue its meetings with members of other European arbitration associations in order to extend its international contacts and exchange ideas with them on current developments.

This time we will meet the Dutch Arbitration Association (DAA). Like the HAC, the DAA is not associated with any arbitration institute. The objective of the DAA is to promote arbitration and to disseminate knowledge about arbitration in general and arbitration in the Netherlands.

The two speakers from the DAA will inform us about current developments in the Netherlands and speak about the Netherlands as a place for dispute resolution. First, Stan Putter will focus on arbitration proceedings in the Netherlands, followed by Bo Ra Hoebeke who will speak about the Netherlands' Commercial Court.

Join us for the event and discussion – we are looking forward to seeing you!
